

AGENDA

Urban Systems Advisory Committee

Monday, March 21, 2022 at 11:00 AM

The Urban Systems Advisory Committee meetings are open to the public. Requests from person with disabilities must be made to the Planning Division 24 hours in advance of the meeting.

NOTE: As a temporary public health measure and due to the current State Mandate related to the COVID-19 pandemic public gathers have been limited. The City has established the capability for members of the public to access the meeting remotely either

through video conference technology or by phone. The information can be found below:

5.I.i. None

5.II. NEW BUSINESS

5.II.i USAC Priorities

Derek Teini presented the memorandum detailing our current Urban Systems Priority list.

Discussion summary:

Derek Teini presented an overview of the priority list and provided an explanation related to the proposed amendment made by the City of Laramie for a new priority #2 (Bill Nye Avenue between 15th Street and the Spring Creek Channel).

Ralph Tarango asked for clarification on the location of Bill Nye Avenue. Ryan Shields noted WYDOT's concern with Boswell Drive and the connection made to Bill Nye Avenue. Rob Fisher doesn't support modifying Priority #2 and requests it stay as is. Harold Colby asked for more information about the timing of the project and the request. Ralph Tarango notes that the timing/funding for the project is far out due to lack of funding. Rob Fisher asked if USAC funding is all that can be used to support a project or can other money sources be used. Other sources can be used. Jim McGrath asked about the priority list related to possible infrastructure money coming to the State or Laramie and would it help or hurt if it was kept on list. If other money was available or USAC money was available now priority #2 could be built sooner. Pearce responded that funding is possible, but when the funding is distributed, we may not really get much money, so it may not be as big of a help. Brian Harrington concurred. Erin O'Doherty asked about a possible traffic signal at Bluebird Lane and Grand Avenue. Rob Fisher noted Bluebird Ln could come off the list if there is other money out there. Harrington asked for clarification on the estimate of 2.5 million for priority #2 and if it was for the whole project or funds that would come from the County. Jim McGrath asked if the existing ROW for Bluebird will work for the needed width, Fisher responded and noted width is not enough and would increase cost if they had to acquire land. Harlod Colby suggested that we relook at Bluebird and Bill Nye section later.

No motion on the request to change priority #2.

The Committee discussed the priority list and the existing priority list was affirmed as follows:

2021 Urban System Project Priority List			
Priority	Description	Approximate Length (miles)	Required Urban Systems Funds (Estimated)
1	Corthell Road from Whitman Street to future Bill Nye, and Bill Nye from the extension of Corthell Road to the extension of Boulder Drive; Bill Nye from Corthell Road to 15 th Street	0.85	4,200,000 (2016 dollars)
2	Bluebird Lane, between Vista Drive and Grand Avenue	0.37	2,500,000 (2020 dollars, County Estimate)
3	30 th Street, south to where it intersects with Bill Nye	0.84	5,600,000 (2016 dollars)
4	Pierce Street, Snowy Range Road north to Madison Street	0.59	?
5	45 th St, South from Crow Dr. to Grand Ave.	1.17	?

MOTION BY Colby seconded by O’Doherty, to adopt the 2021 Priority List as shown.

Aye: 9

Nay: 0

Motion carried.

Wes Bybee updated USAC on the status of Bill Nye Avenue construction. The plan is the project will be “on the shelf” in 2022, re-examined in 2023 and the project will be in late 2023 for construction in 2024. Additional storm drainage work and planning is being done as well as landscaping being removed due to high costs. It is also estimated ROW acquisition may come in at about \$950,000.

Julian Monahan provided an overview and presentation on the balance of funds, \$564,927 is the yearly amount we receive. The balance shown in the packet is just over 3.1 Million dollars, with the actual amount being \$3,185,346 left in the account. The only anticipated change to program at this time would be based on funding adjustments made due to the Census update that will come out in 2021.

6. DISCUSSION

6.I 15th Street Discussion

Jim McGrath requested a discussion regarding the future options related to 15th Street based upon the current UW Long Range Plan and the past UW LRDP Plan. Keeping this topic active due to possible conflicting goals for 15th Street between the City and UW is important for the community.

Lord asked about the intent/purpose for discussion the importance of keeping the discussion active. O'Doherty noted the conversation is good and that Citizens are paying attention. Matt Newman noted that LRDP is no longer the Campus Plan and encouraged USAC to read the newly adopted plan in whole.

7. NEXT MEETING DATE

The next meeting will be scheduled in upcoming months by recording secretary.

8. ADJOURN

MOTION BY O'Doherty seconded by Harrington, to adjourn the meeting at 1:59 p.m.

Aye: 9

Nay: 0

Motion carried.

Fax: (307) 721-5248

MEMORANDUM

Date: March 21, 2022
To: Urban Systems Advisory Committee
From: Derek T. Teini, AICP, Planning Manager, City of Laramie
Subject: USAC Priorities Discussion

The Urban Systems Program requires that each participating community establish a priority list of projects to be funded by the Program. From time to time USAC adopts a priority list. This priority list was last reviewed by USAC on June 10, 2021 and established following:

2021 Urban System Project Priority List			
Priority	Description	Approximate Length (miles)	Required Urban Systems Funds (Estimated)
1	Corthell Road from Whitman Street to future Bill Nye, and Bill Nye from the extension of Corthell Road to the extension of Boulder Drive; Bill Nye from Corthell Road to 15 th Street	0.85	4,200,000 (2016 dollars)
2	Bluebird Lane, between Vista Drive and Grand Avenue	0.37	2,500,000 (2020 dollars, County Estimate)
3	30 th Street, south to where it intersects with Bill Nye	0.84	5,600,000 (2016 dollars)
4	Pierce Street, Snowy Range Road north to Madison Street	0.59	?
5	45 th St, South from Crow Dr. to Grand Ave.	1.17	?

At this time no recommendations have been provided to the Urban Systems Advisory Committee for consideration. Because no changes have been requested, and if no further changes are proposed the recommended motion for today's meeting would be to re-affirm the 2021 Urban Systems Project Priority List as the 2022 Urban Systems Project Priority List.

In addition to the priority list discussion, WYDOT has provided the current Fund Balance related to this project as of 2/25/2022. The current balance sits at \$3,336,633 (see attached).

Recommended Motion:

Move to recommend the 2021 Urban Systems Project Priority List as the 2022 Urban Systems Project Priority List.
