Good afternoon Derek,

I left you voicemail concerning my representation of John Johnson in the appeal to the Board of Adjustment for which the hearing is scheduled for April 12, 2021.

I request that the matter be rescheduled for the next Board of Adjustment meeting which I understand will be two weeks later on April 26, 2021. I also request that the time for submission of the digital evidence be extended two weeks to April 19, 2021.

I am unable to get the evidence to you in a timely fashion this coming Monday. Mr. Johnson has a medical appointment that was previously scheduled for 3:30 PM on April 12 and I have been hearing that would overlap.

Thank you for your cooperation in rescheduling this matter.

A Joe Hageman
