Title:	Recreation Center Call for Public Art Board Member Committee Assignment.				

Recommended Board Motion:

I Move that the Parks, Tree and Recreation Advisory Board authorize a selected member of the Board to participate in the Call for Public Art at the Laramie Recreation Center for the Mural Project.

Administrative or Policy Goal:

To support the dissemination of Public Art throughout the community in support of the City adopted Laramie Public Art Plan adopted in 2015.

Background Information:

The Laramie Public Art Coalition requested funding at the March meeting of the Advisory Board in an amount of \$11,750.00 to develop and install a mural at the Laramie Recreation Center in conjunction with the remodel of the patron entrance to the Laramie Recreation Center. During mid-May a selection committee consisting of a member of the Recreation Center, a local artist, a Recreation Center staff member and a local community member will meet to select an artist to develop the mural.

The person assigned to this task does not need to have an art background but does need to have an interest in the project, a love of the community and a feel for the values and interests of the patrons at the Recreation Center.
