

Agenda Item: FYI

Title: Mid-Year State of City and Progress Report

Administrative or Policy Goal:

Setting public policy objectives each year ensures for the orderly and efficient operations of municipal government to accomplish the goals of the elected officials.

Background:

City Council conducted its annual retreat in January and generally established goals for the year. The City Manager will review progress made in the first half of the year toward these goals and provide some general information about the state of the city mid-2021 with a look forward to the second half of the year.

Legal/Statutory Authority:

Responsible Staff:

City Manager, 721-5226
