

Agenda Item: Resolution

Title: Resolution 2021-63, extending the dates of Resolutions 2021-30 and 2021-36 related to the establishment of the open container area and downtown economic enhancement initiatives.

Recommended Council MOTION:

I move that City Council approve Resolution 2021-63 extending the dates of Resolutions 2021-30 and 2021-36 related to the establishment of the open container area and downtown economic enhancement initiatives and authorize the Mayor and Clerk to sign.

Administrative or Policy Goal:

Continuation of initiatives to help promote economic development and continued growth.

Background:

The City of Laramie received a request from the Laramie Main Street Alliance to extend the end dates of the previously approved open container area and Hollyhock Commons. The request is to extend the dates through October 24, 2021 to assist with events and activities associated with the University of Wyoming’s Homecoming Week. LMSA believes this extension would add to the enjoyment for alumni, students and visitors and that these two initiatives have seen immense use and are praised by the public and district business owners.

Legal/Statutory Authority:

N/A

Budget/Fiscal Information:

Expense

Staff time would be diminished with the removal of watering of the potted flowers. Continued maintenance of the Hollyhock Commons will cause minimal impact to staff through October.

Responsible Staff:
