RE: Laramie Interfaith Building Project and CDBG Grant Commitment

Mr. Feezer,

Please accept this letter as verification of the Laramie Interfaith Board of Director's commitment to the proposed project under the bid project "Laramie Interfaith Food Pantry Addition." The Board has reviewed the project and formally voted for this project's acceptance, today, September 21, 2021 as detailed in the bid submitted to the city by Shepard Construction. We understand that we will be responsible for all project costs that exceed the Community Development Block Grant received by the City of Laramie on behalf of Laramie Interfaith.

We look forward to continuing to work with you, the City of Laramie, and Dwel, Inc. on this project that will expand our capacity to serve our community and appreciate your and the City of Laramie's support on this project.

Sincerely,

Michelle Holmes  
Board President
