Laramie, WY 82070

Dear Laura,

I am writing on behalf of the Project Graduation committee for the class of 2022. Project Graduation has been held in the Laramie Ice and Events Center for the past several years and has been a great success in this location. The 2022 event is slated for May 27th from approx. 9:30pm- 3:00am. We have reserved the ice arena for set up May 26th and clean up May 28th.

In the past, the Parks and Recreation Advisory Board has been extremely generous in donating 50% of the rental fee for our event. We will be requesting approval from the Albany County Recreation Board for the remaining 50%. We are hoping that we can ask for this same generosity from you again this year!

Project Graduation is a tax-exempt 501(c)3 organization and has been in existence since 1984. The purpose of Project Graduation is to provide an annual drug and alcohol-free celebration for Albany County School District #1 graduates from Laramie High School, Whiting High School, Rock River and home schooled students. It is our continued goal to provide an environment that is fun and safe for our seniors. This year we will have a hypnotist, prizes, and multiple games and activities to keep the seniors busy throughout the evening.

Seniors attending Project Graduation must meet the following criteria: graduated in the current academic year, attended the graduation ceremony and be admitted to the function before 10:30 pm. If impairment is suspected, the student must be willing to undergo a screening for alcohol/drug impairment. If the senior has been admitted and leaves the premises, they will not be allowed to return. We work diligently to make it a safe and secure environment for our seniors!

Project Graduation has been a wonderful tradition and continues to be a wonderful way to keep our seniors safe after graduation as well as celebrate them in a fun, positive environment. Thank you for your continued support and we look forward to hearing from you.

Sincerely,

Wendi Welniak
