

Laramie American Legion Baseball Husted-Pendleton Post 14

Dear Laramie Recreation Center,

We want to thank you for your support of the Wyoming State AA Legion Baseball Tournament. It was exciting to host it in Laramie and watch the Rangers battle to a second place finish. In addition to bringing home the Tournament Sportsmanship award, five players were named to the All State Team, and Coach Lozano was selected as Coach of the Year. It was a great week and would not have been possible without your contribution!
