Re: Unit 42 Pickup Truck with Trade-In

Bids were received and opened on January 11, 2022 for the delivery of Unit 42 Pickup Truck with Trade-In for the Fire Department. The bids were as follows:

**Ken Garff Ford**  
**Cheyenne, WY**

Base Bid: \$45,515.00 Trade-In: \$3,000.00 Selected Alternates: \$4,277.00 **Total Cost: \$46,792.00**

**Laramie GM Auto Center**  
**Casper, WY**

Base Bid: \$43,400.00 Trade-In: \$9,500.00 Selected Alternates: \$2,400.00 **Total Cost: \$36,300.00**

The Ken Garff Ford unit is a 2022 Ford F-350 with a delivery date of 365 days from receipt of Notice of Award. This unit does not meet the following specifications: has a chrome front bumper instead of black. Alternate 1 (idle reduction technology) cost was \$1,977.00, Alternate 2 (snowplow hitch) was \$2,300.00.

The Laramie GM Auto Center unit is a 2022 Chevrolet 3500 with a delivery date of 365 days from receipt of Notice of Award. This unit meets all specifications. Alternate 1 (idle reduction technology) cost was not bid, Alternate 2 (snowplow hitch) was \$2,400.00.

I am recommending the City accept the Laramie GM Auto Center bid for a total amount of \$36,300.00 with Alternate 2 snowplow hitch.

The Fire Department has \$59,801.00 budgeted for the purchase of this unit.

Unit 42 is a 2009 Chevrolet 1500 Pickup Truck with 138,399 miles and a life to date cost of \$6,766.82.

Please contact me if you have any questions regarding this bid.
