

**Agenda Item:** Amendment  
**Title:** Amendment Number Two to the Facilities Use Agreement between the City of Laramie and the Laramie County Community College.

**Recommended Council MOTION:**

I move that the Laramie City Council Approve Amendment Number Two to the Facilities Use Agreement between the City of Laramie and the Laramie County Community College and authorize the Mayor and Clerk to sign.

---

**Administrative or Policy Goal:**

To continue collaborative agreements with partner agencies in the community to provide access to the Laramie Recreation Center in exchange for financial support.

---

**Background:**

The City of Laramie and Laramie County Community College (LCCC) have had an ongoing partnership and agreement concerning facility use and credit hours since July of 2004. The original agreement provided for the City to convey to LCCC 10 acres of property in the Turner Tract in order to build the Albany County Community College campus, and LCCC agreed to provide City 100 credit hours per academic year beginning with the fall semester of 2004 and continuing until summer semester 2009. The proposed amendment would extend the terms of the current agreement by one year.

Staff supports the proposed changes to the Facility Use Agreement with LCCC and recommends approval of this agreement with a termination date of June 30, 2022.
