

**Agenda Item: Grant**

**Title: Submission of an Airport Rescue Grant Agreement for Laramie Regional Airport in the Amount of \$16,273**

**Recommended Council MOTION:**

That Council approve the submission of a Grant Agreement for FAA’s Concessions Rent Relief Airport Rescue by Laramie Regional Airport in the amount of \$16,273 and authorize the Mayor and City Attorney to sign.

---

**Administrative or Policy Goal:**

Joint Powers Agreement for the Laramie Regional Airport requires the approval of Albany County Board of Commissioners and City Council to apply for grants.

---

**Background:**

Quote from Amy Terrell, Director of Laramie Airport, “This grant is the part of the Airport Rescue Plan Act Grant (also referred to as ARPA.)

This grant is in conjunction with the \$6.5M ARPA funds distributed to commercial airports nationwide and will help in providing relief to in-terminal airport concessions from rent and minimum annual guarantees. \$13,018 of the funds is allotted for small concessions while \$3,255 is allocated for large concession items.

The Laramie Regional Airport will be using these funds to assist with loan agreements on the Executive Hangar and Manufacturing Building, and to help sustain future loan payments on existing.

This grant is managed by the FAA and WYDOT. All grant reimbursements must be submitted through both parties for approval and reimbursement.”
