**Date:** March 30, 2022  
**Re:** March 2022 Staff Report

**Recreation Division** –With the successful training and hiring of additional lifeguards, pool hours continue to expand. Schedules will continue in the “block” format and we anticipate having both the indoor and outdoor leisure pools open this summer. Adult Volleyball league began this week with a total of 15 teams registered. Youth sports registration for soccer and track are currently open. We have a new session for middle school aged children this year as we begin to look at how we can serve a wider range of youth age groups this year. Adventure Kids Summer Camp registration opens on April 18<sup>th</sup> with spots for 80 children. Staff are currently working on changes to the membership fee structure that were recommended by BRS in the Facility Performance Analysis earlier this spring. We hope to have it in place by early summer in preparation for a membership drive later in the year. Additionally, staff are working on updates to the website, facility signage and some improvements to the Multi-purpose room and Studio A.
