

PARKS, TREE & RECREATION ADVISORY BOARD

AGENDA COVER SHEET

Meeting Date:	May 11, 2022	Division:	Recreation Division	Item:	Agreement
Title:	Consideration of fee for services agreement between the City of Laramie and the Laramie Public Art Coalition.				

Recommended Board Motion:

I MOVE that the Parks, Tree & Recreation Board support the fee for services agreement between the City of Laramie and the Laramie Public Art Coalition (LPAC), extending the working framework for public art projects that are instigated by the City or by LPAC requesting the use of City funds and forward to City Council for consideration.

Administrative or Policy Goal:

2.28.070 – Parks, Tree and Recreation Board Duties—Generally.

G. When requested by the city council, the board shall consider, investigate, make findings, report and recommend upon any special parks trees, street trees, and other public open space matter or question regarding trees coming within the scope of its work.

K. The board shall consider, investigate, report and recommend on any special parks recreation and open space matter coming within the scope of its work.

Background Information:

The Laramie Public Art Coalition entered into a Fee for Services Agreement in April of 2019 with the City of Laramie. The agreement establishes the parameters for the working relationship between the City of Laramie and LPAC so that funds allocated by the City of Laramie for public art can be reviewed and recommended to the Parks, Tree and Recreation Advisory Board. This utilizes best practices set forward in the 2015 Laramie Public Art Plan and has proved successful since adoption.

This renewal provides for an on-going working relationship that can be terminated with 30 days written notice and since the Wyoming Community Foundation is no longer the Fiscal Sponsor, it provides for the Laramie Public Art Coalition to operate within its own 501 © 3 organizational structure as an independent organization, otherwise the agreement remains the same as the original.
