**Recommended Board Motion:**

*I move that* the Parks, Tree & Recreation Board approve the Notice of Termination of the Memorandum of Understanding between Albany County School District Number One and the City of Laramie outlining use, care and expenses related to community use of the Laramie Athletic Field and surrounding areas and forward it to City Council for consideration.

**Administrative or Policy Goal:**

LMC Chapter 2-28 Parks, Tree & Recreation Advisory Board – Duties.

J. The board shall evaluate, advise and make recommendations to the parks and recreation director concerning existing parks and recreation policies, programs and activities.

K. The board shall consider, investigate, report and recommend on any special parks recreation and open space matter coming within the scope of its work.

**Background Information:**

In 2019 the City and the ACSD Number One entered into an MOU to designate the City as the entity responsible for maintenance of turf and scheduling of the fields formerly known as “Deti” Stadium, now referred to as the “Laramie Athletic Field”.

This area is now associated with the new grade school being built on the associated land and the School District has indicated an interest and willingness to once again take over maintenance and scheduling of these fields. City staff are agreeable to the termination of the MOU that was executed in 2016 and would recommend that the Advisory Board concur with this Notice of Termination.
