**Re:** April 2022 Staff Report

**Recreation Division** –With the recent passage of the new membership structure by City Council, staff are working to have implementation ready for new or renewing members on June 1. Additionally, we are revising the way we register people for various activities such as private swim lessons, Adventure Kids and Freedom has a Birthday to enable more of the process to be online and become streamlined as recommended in our recent Performance Analysis. Adventure Kids summer camp is almost entirely full hosting 80 children each week for 9 weeks. Run, Jump & Throw, our youth track activity is also quite full hosting 50 participants this year. Most of our summer programming opens to non-members on May 1 and we are expecting strong registration. Facility improvements in Studio A and the Multi-purpose room are moving forward and should be complete mid-summer.
