*Administrative Goals:*

**a.) Recruit and Retain the Highly Qualified Professional Staff Members Who Are Committed to the City’s Public Service Values and Vision**

**b.) Recruit and Retain Police Staff Who Are Committed to the Police Department’s Mission to Protect and Serve with Dignity & Respect**

**BACKGROUND**

After forty-two years of dedicated service and twelve years as Police Chief, Dale Stalder has announced his retirement.

While hiring a new Police Chief is one of the most critical decisions made by a city manager, community perspectives are essential and will be invaluable in selecting a new Chief to lead the police department. To date, we have conducted an internal survey to prioritize the desired skills and attributes of candidates for Police Chief. The position is being advertised nationally and Public Sector Search and Consulting, Inc. (PSSC) was retained to assist in the recruitment and selection process.

PSSC will recommend semifinalists later this month and, through a series of interviews, will facilitate the evaluation of those candidates by community leaders and key partner agencies. City Council is asked to appoint a member to serve on the Community Panel for interviewing semifinalists.

All City Council members will be invited to the reception for finalists to be held around the third week of September.

**Responsible Staff**
