

## **Sole Source Letter for Eldorado Walls Kinetix Action Towers**

This letter is to inform the buyers of Eldorado Kinetix Action Towers that Eldorado Climbing is the sole source for obtaining any of the Kinetix Elements or Add On features. The Kinetix Action Tower series is a unique, compelling design that offers visually exciting, physically engaging activities to a wide range of users. The modular design and construction allow flexibility of size, positioning and attachment, as well as substitution and/or addition of other Elements in the system. The system does have a patent in process, pending approval. Kinetix Action Towers will be an invigorating, new attraction to any facility.
