

PARKS, TREE & RECREATION ADVISORY BOARD

AGENDA COVER SHEET

Meeting Date:	October 12, 2022	Division:	Administration	Item:	Discussion Item
Title:	Consideration of Goals for the Parks, Tree & Recreation Board - Ongoing				

Recommended Board Motion:

No motion. Discussion on the establishment of goals for the Parks, Tree & Recreation Board.

Administrative or Policy Goal:

Organize meetings to meet the intent of the Municipal Code direction and the desires of the Parks, Tree & Recreation Advisory Board.

Background Information:

Staff believes coming off the summer break it would be a great time to refresh our knowledge of the duties bestowed upon the board by Laramie Municipal Code. Visit with the board about how best to meet the desires of the board members ensuring your valuable, volunteer time is best used.

Comments related to the goals included:

1. All the goals stated in the document are still valid, particularly the items concerning an annual meeting with Council and continuing to evaluate beautification. Dog parks are still a priority as well, and I would add something about the bike park(s) in the area. I would mention something concerning bike safety. There are an awful lot of people wearing dark clothes at night and riding bicycles without effective lights-- something better than 6 fireflies on leashes!
2. Item 2: "Continue to encourage" is hard to measure. Is there a way we could help prioritize segments to build or consider allocating funding from the Rec Grants or something that could have measurable outcomes?
3. Item 3: I feel we do this with grant allocations and by requesting maintenance reports, but again "encourage" is hard to measure.
4. Item 8: Could we have a liaison to the Laramie Beautification Committee? Or do we already have one and I am just not aware? Perhaps we could build toward stronger collaboration with this group.
