

LARAMIE ADVISORY COMMISSION ON DISABILITIES

Duties and Powers

- A. Review accessibility and other related issues of individuals with a disability in the general community, discuss and make recommendations on how such issues might be resolved
- B. Disseminate information to the public to promote awareness of multiple advantages of accessibility of structures, programs, employment practices, and services for individuals with a disability
- C. Serve as a grievance board concerning alleged city structural or program discrimination whenever a hearing is provided for by law, according to the municipal code regarding such grievances
- D. Work with the city council or designee to develop a self-evaluation study to determine any physical barriers, problems with delivery of services, employment practices, and/or other activities and programs offered by the city
- E. Work with the city council or designee to develop a transition plan for any concerns identified under the evaluation study or the grievance procedures. The plan shall call for all nonstructural concerns to be corrected within one year and all structural concerns to be corrected within three years or sooner, if required by applicable law
- F. Act in an advisory capacity to the city council on all matters of city policy respecting persons who have a disability
- G. Advise and assist the city administration and city council in compliance with the Americans with Disabilities Act and other applicable laws.
