Re: Wyoming Community Gas, Allocation of Funds

The City of Laramie is a member of the Wyoming Community Gas program and has been receiving "Community Project Distribution" funds since 2002. The City receives a rebate check based on local participation in the Wyoming Community Gas Program. This year the check totals **\$24,601.65**. The City Council must allocate these funds to a community project.

The Finance Committee of City Council is endorsing continued funding to critical health and welfare organizations and recommended the following designated checks for the current disbursement.

2022 - \$24,601.65	Laramie Interfaith	\$8,200.55
	Laramie Downtown Clinic	\$8,200.55
