

Agenda Item: Contract

Title: CONTRACT: Amendment One to Contract Between the City of Laramie and Robert Southard as City Attorney

Recommended Council MOTION:

I move to approve the amendment one to the At-Will Employment Contract Between the City of Laramie and Robert Southard as City Attorney and authorize the Mayor and Clerk to sign.

Administrative or Policy Goal:

To provide for the services of a City Attorney.

Background:

This is an amendment to the contract approved in December 2022. This amendment does not change the salary from the previously approved contract. The only changes are that the City Attorney is eligible for raises as are all other employees, and that there is no payment in the month of October as there was previous to the last contract.
