Re: February/March Monthly Report

Recreation Division – The installation of play and climbing equipment in the Grand Hall at the Recreation Center is almost complete, with the installation of the fall protection under the climbing towers scheduled for this week. Some of the features have been open to the public for the past two weeks and have been a huge hit with the kids. The Jr. Cowboys/Cowgirls program has a record 225 children participating and on Saturdays they are in the Recreation Center. It has been a great opportunity to introduce the community to this reimagined area. The Luau in Laramie will be held on Friday March 3rd from 5:30-7:30 and will include games, crafts, balloon tying, dancing, music, and ice cream. This event is supported by the Sandra Frost Family Trust, UniWyo Credit Union and Meadow Gold Dairy. Bidding opened on Friday the 17th for Phase I of the Indoor Leisure Pool Renovations, and we believe we have interested bidders who will submit. Summer Camp registration is scheduled to open on April 20th, and we will be utilizing a new platform to secure participant information and streamline management this summer. The Ice & Event Center is hosting the State Hockey Tournament this coming weekend from the 24th-26th and we anticipate a very busy weekend with Youth Basketball as well. Staff are also working to coordinate some volunteer community clean up days with Common Outdoor Ground this spring. A schedule of days and locations will be available soon.
