Re: Unit 887 Hybrid Pickup Truck without Trade-In

Bids were received and opened on March 7, 2023, for the delivery of Unit 887 Hybrid Pickup Truck without Trade-In for the Planning Department, Code Administration Division. The bid was as follows:

Ken Garff Ford
Cheyenne, WY

Base Bid:	Trade-In:	Alternate 3:	Total Cost:
\$ 55,665.00	N/A	\$ 750.00	\$ 56,415.00

The Ken Garff Ford unit is a 2023 Ford F-150 Hybrid with a delivery date of 365 days subject to production availability from receipt of Notice of Award. This unit does not meet the following specification: front and rear wheel well liners are not available.

I am recommending the City accept the Ken Garff bid. This includes the unit and Alternate 3 (7.2kW onboard generator) for a total cost of \$56,415.00.

The Code Administration Division has \$63,637.00 budgeted for the purchase of this unit.

Please contact me if you have any questions regarding this bid.
