Re: One (1) New 2019 or Current Production Cab & Chassis (Low Cab Forward/Cabover) Right Hand Drive Only with Dual Arm Automated Refuse Packer Body

Bids were received and opened on July 23, 2019 for the delivery of One (1) New 2019 or Current Production Cab & Chassis (Low Cab Forward/Cabover) Right Hand Drive Only with Dual Arm Automated Refuse Packer Body with trade-in for the Solid Waste Division. The bids were as follows:

CMI Teco Casper, WY	Base Bid \$349,663.00	Trade-In \$35,000.00	Total Cost \$314,663.00
------------------------	-----------------------	----------------------	-------------------------

Peterbilt of Cheyenne Cheyenne, WY	Base Bid \$369,749.00	Trade-In \$35,000.00	Total Cost \$334,749.00
---------------------------------------	-----------------------	----------------------	-------------------------

The CMI Teco unit is a 2020 Mack LR64 with a delivery date of April 15, 2020. The front axle is a Mack instead of the specified Dana/Spicer. The rear axle is a Mack 46,000 lb. instead of the specified Meritor 40,000 lb. Engine has 355 horsepower instead of the specified 400 horsepower. Transmission is an Alison 4500 instead of the specified Alison 4000 RDS-P. Seats are mid-back instead of low-back.

The Peterbilt of Wyoming unit is a 2020 Peterbilt 520 with a delivery date of 365 days from receipt of Notice of Award. This unit meets all specifications.

I am recommending the City accept the Peterbilt of Wyoming bid for a total of \$334,749.00.

Solid Waste has \$361,490.00 budgeted for the purchase of the unit.

Please contact me if you have any questions regarding this bid.
