

Agenda Item: Memorandum of Understanding
Title: Memorandum of Understanding between the City of Laramie, Wyoming and the University of Wyoming – Additional Emergency Medical Services

Recommended Council MOTION:

“that Council approves the Memorandum of Understanding between the City of Laramie, Wyoming and the University of Wyoming for providing additional emergency medical services at athletic / special events as requested for the 2019 – 2020 season and authorize the Mayor and City Clerk to sign”

Administrative or Policy Goal:

To provide effective and timely emergency medical response for the citizens and visitors to the City of Laramie through cooperative relationships with outside agencies.

Background:

The City of Laramie Fire Department and the University of Wyoming have an ongoing relationship under which the City of Laramie Fire Department - EMS (Emergency Medical Service) Division provides for standby EMS service’s during the University of Wyoming sponsored athletic and special events. The City of Laramie is compensated on an hourly basis for providing the additional emergency medical service. This MOU establishes the terms and conditions under which the City of Laramie Fire Department provides the requested additional emergency medical services during the University of Wyoming 2019 – 2020 football and basketball seasons; and at other sports / special events as requested. The hourly rate agreed upon for this upcoming season is at \$125.00/hour which is an increase of \$5.00/hour from the rate agreed upon for the 2018-2019 athletic season.

Legal/Statutory Authority:

The City of Laramie Fire Department is authorized and licensed by the State of Wyoming Department of Health to operate and ambulance service within the State of Wyoming.
