Recommended Council MOTION:

That City Council acknowledge the receipt of a new floor plan for Retail Liquor License No. 10 Safeway Stores 46 Inc dba Safeway Stores located at 554 North 3rd Street.

Background:

An updated floor plan was presented to the City Clerk’s office on April 15, 2020 Retail Liquor License No. 10 for Safeway Stores 46 Inc dba Safeway Stores. The premise location for the license is 554 North 3rd Street, Laramie, Wyoming.

The update floor plan will increase the size of the liquor store and add an outside door. Their plan during construction according to Russ Novotny, Liquor Sales Manager, “We will still be selling alcohol from the existing area just in a smaller footprint. Construction will then build out the addition for the liquor department. Once that is completed we will move to sell in that space so they can demo and start rebuilding the remaining space for the full liquor department.”

An updated floor plan has been submitted to the Wyoming Liquor Division as well. They commented to say, “for package stores they need to maintain a separate area that is age restricted for liquor sales.” This has been sent to the Safeway and acknowledged. The information was also sent to our building inspectors and no concerns were received.
