---

As part of general housekeeping work associated with the Urban Systems Advisory Committee, WYDOT has provided the following updated Cooperative Agreement 2020 for your review and recommendation. This item will allow WYDOT to update the existing cooperative agreement from February 2000 (attached) to the legal verbiage used in the current Attorney General's template. This cooperative agreement is the basis for City/County/WYDOT's participation in the federal urban fund program.
