Nancy,

Good morning! Per my telephone conversation of 7/22/2020 the purpose of this email is to express our desire to expand our service and sales area to included the area we are designating as the patio area. Currently, Coppers Corner is undergoing an interior remodel and are offering no inside sales/seating. I have attached a picture of the area up for consideration and a drawing with the dimensions. If City Council determines that we may utilize this area we would of course provide service under the current guidelines as outlined by health officials with regard to COVID - 19. Should there be questions or additional information required please contact me via email or cell phone 307-421-0261. Thank you in advance for your assistance with this matter.

Sincerely,  
Sheri Olson  
Owner
