

**Agenda Item:** Amendment  
**Title:** Consideration of Amendment 1 to the contract between the City of Laramie, Wyoming and Creative Energies for the Installation of solar arrays at the Laramie Community Recreation and Ice & Event Centers.

**Recommended Council MOTION:**

I move that City Council approve the Amendment 1 to the contract between the City of Laramie, Wyoming and Creative Energies for the Installation of solar arrays at the Laramie Community Recreation and Ice & Event Centers in an amount not to exceed \$2,156.00 and authorize the Mayor and Clerk to sign.

**Administrative or Policy Goal:**

This project supports Annual Goal B, Environmental Stewardship, Milestone #3 “Continue Renewable Energy Installations and/or Efficiencies at City Facilities and Properties” as detailed in Resolution 2020-08, and Resolution 2020-14 “establishing the intent of the Governing Body to immediately reduce carbon emissions from municipal government facilities and pursue a net zero, carbon neutral future for the City of Laramie, WY.”

**Background:**

On July 21, 2020 City Council approved the contract between the City of Laramie, Wyoming and Creative Energies for the Installation of solar arrays at the Laramie Community Recreation and Ice & Event Centers in amount not to exceed \$155,131.00. Since that time, it was discovered that additional fees from the State of Wyoming would be required for electrical plan review and inspections due to the City of Laramie not having a licensed electrical inspector employed in our Code Administration Division.

The State of Wyoming fees being applied to this project are \$1,238 for plan review and inspection at the Laramie Ice & Event Center and \$918 for plan review and inspection at the Laramie Community Recreation Center.
