**Re: Unit 336 Service Truck with Trade-In**

Bids were received and opened on December 8, 2020 for the delivery of One (1) new Unit 336 Service Truck with Trade-In for the Utilities Division. The bids were as follows:

Spradley Barr Motors,            Base Bid \$60,839.00   Trade-In \$7,000.00   Total Cost \$53,839.00  
Cheyenne, WY

The Spradley Barr unit is a 2021 Ford F-350 with a delivery date of 180 days from receipt of Notice of Award. This unit meets all specifications. 4 alternates were available with prices. Alternate 1 (400-watt 120-volt outlet) for \$175.00, Alternate 2 (warning lights) \$792.00, Alternate 3 (slip on seat covers) \$466.00 and Alternate 4 (idle reduction technology) \$1,433.00.

I am recommending the City accept the Spradley Barr bid with Alternate 1 (400-watt 120-volt outlet for \$175.00) and Alternate 4 (idle reduction technology for \$1,433.00) for a total of \$55,447.00.

The old unit is a 2009 Ford F-250 with approximately 70,000 miles and 6,200 hours and an original purchase price of \$36,458.00. Life to date cost for parts and labor are \$6,466.44.

Utilities has \$44,980.00 budgeted for the purchase of the unit.

Please contact me if you have any questions regarding this bid.
