Background:

During the March 10, 2020 work session, the Friends of Community Recreation made a presentation to Council for 2020/2021 Community Partner Funding. This presentation was for the development of an indoor skatepark to be located in the abandoned pool area at the Laramie Plains Civic Center. On April 7, 2020 the City Council approved Resolution 2020-21 authorizing the award of \$190,945 in total Community Partner funds contingent on the adoption of the Fiscal Year 2020/2021 Budget and on the availability of funds. Within Resolution 2020-21 was an award of \$2,547 to the Friends of Community Recreation for the indoor skatepark project.

Since April 7, 2020 the Friends of Community Recreation and the Laramie Plains Civic Center have chosen not to pursue the indoor skatepark project. The Friends of Community Recreation are requesting to change the scope of the project from the development of an indoor skatepark to the development of pop up skate parks. If approved funding would be used toward the purchase of skateboarding equipment (including boards and safety gear) and a cargo trailer to provide storage and mobility for the implementation of pop up skate parks. With this funding, the Friends of Community Recreation would be able to create a mobile skatepark to bring skateboarding programming to schools and neighborhoods whose athletes may not find LaBonte Skatepark accessible.
