Administrative or Policy Goal:

To benefit from citizen representation on the Board of Health.

Background:

Board of Health is to address issues of concern regarding health and the control of communicable diseases in the Laramie community. Duties of the Board of Health include setting rules and regulations governing their own affairs, to set the duties of the City of Laramie Health Officer, to manage and control all communicable diseases, as well as to prescribe and fix penalties for violation of prescribed rules and regulations.

One (1) vacancy was created on the Board of Health due to expiration of terms for Beth Young on December 31, 2020. In accordance with the Laramie Municipal Code, the City Council must make appointments to the Board of Health. Council liaison Sharon Cumbie recommended reappointment of Beth Young without an interview as she was an incumbent member and only her application was received in the Clerk’s office. Her re-appointment to the Board of Health has an expiring term of December 31, 2025.
