

Recreation Center Front Desk Artwork

Project prompt

The Recreation Center is undergoing a renovation, with space for artwork on the front desk. LPAC will work with the City of Laramie on an artist selection process to generate an artwork for this new desk.

Process for selection: Request for Qualifications

1. LPAC to create a call for artists, a Request for Qualifications, with the artists being selected based on artistic merit and interest in working with the community to develop their work
2. The call will be released in spring 2021 for Albany County, Wyoming artists to apply (given six weeks to submit)
3. A selection committee, made up of the members from the constituent bases identified below, will select an artist to continue on through the process.
 - a. Member of the Parks and Recreation Board
 - b. Recreation Center member (someone who uses the space actively)
 - c. Artist from the community
4. The selected artist will meet with community stakeholders, identified by the Parks and Rec Board and have an open community meeting to capture priorities for what should be included in a design proposal
5. The artist will present the proposed design to an internal design review team
6. Installation to commence once design is solidified. Installation will happen in summer or fall 2021.
