PROPOSITION

"Shall Albany County, State of Wyoming (the "County"), be authorized to adopt and cause to be imposed a one percent (1%) specific purpose sales and use excise tax (the "Tax") within the County for the purpose of raising and collecting the total amount of \$65,582,470, the proceeds from which and the interest earned thereon to be used and applied for the following specific projects (the "Projects"), and to the extent necessary and allowed by law, the pledge to or payment of debt service and/or lease payments thereon:

1. Albany County Projects: \$11,928,825 to be collected, together with interest earned thereon to be used by Albany County for the specified purposes and in the specified amounts set forth below:

- A. \$247,000 for the Albany County Public Library to make interior and exterior renovations to the library, including the replacement of flooring, furniture, window coverings, signage, HVAC motor, shelving, energy efficient lighting, security door, hardware and locks; upgrade of AV system; and access and drainage improvements;
B. \$100,000 for renovations of the roof, energy efficient lighting, heating system, and garage doors on the County's Road and Bridge Shops located at 2920 County Shop Road, Laramie, and 201 Avenue D, Rock River;
C. \$1,162,571 for renovations of the Albany County Courthouse and Buildings including replacement of carpet and furniture, door lock system, sidewalk repair and replacement, tree removal and replacement; renovation of the Commissioner's meeting room; renovation of the north entry to the courthouse; and the installation of a covering for the County Election Building;
D. \$1,105,000 to replace Sheriff vehicles, acquire an electronic citation system, and replace in-car video equipment;
E. \$2,000,000 to purchase heavy equipment for the Road and Bridge Department, including motor graders, trucks, rollers and other equipment;
F. \$1,422,512 to renovate and update the County's IT systems, including an update of the network systems, storage array, virtual host, exchange server, planning file server storage, hard drives, and replacement of the telephone system;
G. \$427,184 for the Albany County Fair Board to purchase the Range Arena;
H. \$764,558 for renovations to the Albany County Detention Center, including office infrastructure, painting, flooring, HVAC system, Livescan fingerprint system, closed circuit camera system, inmate pod improvements, and master control room upgrades; and
I. \$4,700,000 for one time major maintenance, renovation, or reconstruction of the following sections of County roads: Bluebird Lane between Grand Avenue and Vista Drive; Pahlow Lane from Hwy 230 to Hanson Lane; Soldier Springs in its entirety; Palmer Canyon Road from milepost 0 to milepost 2; and for land or easement acquisitions related to the foregoing listed roads;

and for the purpose of providing up-front funding for part of the cost of the foregoing Projects, shall Albany County, Wyoming be authorized to issue general obligation bonds of the County in the maximum principal amount of \$2,100,000, maturing within fourteen (14) years of their date, and bearing a maximum rate or rates of interest not to exceed 4.95% per annum, with all or a portion of the principal of and interest thereon to be paid with the proceeds from the Tax?

2. Laramie Regional Airport Project: \$7,065,375 for the design, construction, expansion, and renovation of the Laramie Regional Airport, including the passenger terminal, landscaping, lighting, public art, parking and site improvements; and for the purpose of providing up-front funding for part of the cost of the foregoing Project, shall Albany County, Wyoming be authorized to issue general obligation bonds of the County in the maximum principal amount of \$5,640,000, with the foregoing bonds maturing within fourteen (14) years of their date, bearing a maximum rate or rates of interest not to exceed 4.95% per annum, and with all or a portion of the principal of and interest thereon to be paid with the proceeds from the Tax?

3. City of Laramie Projects: \$42,073,475 to be collected, together with interest earned thereon to be used by the City of Laramie for the specified purposes and in the specified amounts set forth below:

- A. \$3,876,221 for Laramie Fire Department design and construction of a new live-burn training building, improvements to the multi-story drill training tower, expansion and renovation of the training classroom with associated landscaping and site improvements, and the purchase of training and operational equipment and furnishings;
B. \$2,500,000 for Laramie Community Recreation Center & Ice and Event Center improvements including renovation of indoor leisure pool, general amenities, locker rooms, customer service areas, replacement of furniture, fixtures and equipment, concrete rehabilitation, and expansion of facility amenities with associated landscaping and site improvements;
C. \$3,352,981 for improvements and preservation of the historic City Hall and the Carnegie Annex buildings, offices, security, and energy efficiency upgrades including site improvements, facility planning, design, engineering and development; improvements and repurposing of the City's land and buildings on North 4th Street located north of Harney Street and south of Reynolds Street; and, improvements to Police headquarters including design, expansion and upgrades to law enforcement training facilities and training equipment and furnishings;
D. \$2,135,446 for new and existing recreational shared-use paths and trails including planning, design, development, construction, project management, land or easement acquisition, rehabilitation, and amenities, including construction of Spring Creek Trail Phase 1 & 2;
E. \$6,821,080 for construction of new parks and improvements of existing public parks as set forth in the City's Parks and Recreation Master Plan, including planning, design, development, land acquisition, project management, construction, rehabilitation, amenities, and playground equipment;
F. \$1,000,000 for community gateway enhancements located near the entrances to the City on Snowy Range Road, Third Street, Grand Avenue and the highway interchanges, including landscaping, irrigation, beautification, safety, public art installations, lighting, energy efficiencies, architectural enhancements, signage, amenities, land acquisition and property redevelopment; nuisance abatement;
G. \$250,000 for the protection of Casper Aquifer groundwater including the expansion and improvement of the water quality monitoring network by groundwater flow modeling; infrastructure improvement including the design, development, and installation of additional monitoring wells; watershed protection efforts; wellhead protection and security; vulnerable feature identification and mitigation; and, acquisition of property in recharge Zones I and Zone II as identified in the 2008 Casper Aquifer Protection Plan;

The paved street sections for reconstruction, overlay, and storm drainage improvements will be prioritized by the City using the Pavement Condition Index (PCI) ratings for the streets and assessment of the condition of the storm water drainage system as set forth in the Laramie Storm Drainage Master Plan. Unpaved roadways to be improved are bounded by Curtis Street on the north, Second Street on the east, Riverside on the south, and the city limits on the west. Improvements shall be completed in order of such priority to the extent the proceeds of the Tax and funds from additional grants or loans are available;

and for the purpose of providing up-front funding for part of the cost of the foregoing Projects, shall the City of Laramie, Wyoming be authorized to issue general obligation bonds of the City in the maximum principal amount of \$9,500,000, maturing within fourteen (14) years of their date, and bearing a maximum rate or rates of interest not to exceed 4.95% per annum, with all or a portion of the principal of and interest thereon to be paid with the proceeds from the Tax?

4. Town of Rock River Projects: \$4,514,795 to be collected, together with interest earned thereon to be used for the following specified purposes:

- A. \$3,065,549** for water infrastructure projects to include replacing a portion of a raw water transmission line, create a backup system for the drinking water transmission line to the Town, and replacing all of the water meters and related components in the Town;
- B. \$95,000** to replace sewer infrastructure to include the main line from Hall Street to Reed Street;
- C. \$450,000** for acquisition of a road grader, skid steer, backhoe and to construct an equipment shed to house Town's equipment;
- D. \$149,173** for the purchase of a truck or trailer and additional dumpsters for the Town's solid waste transfer station;
- E. \$250,000** for the Town's acquisition and renovation of roads, to include Avenue B from Highway 30 to Morris Street;
- F. \$455,073** to renovate the heating system in the Town's fire house, replace firefighter personal protective equipment, purchase FCC compliant radios, and purchase new fire-fighting equipment for the fire department; and
- G. \$50,000** for improvements to the Town Hall, to include replacing wastewater plumbing in the Town Hall building;

and for the purpose of providing up-front funding for part of the cost of the Projects, shall the Town of Rock River, Wyoming be authorized to issue general obligation bonds of the Town in the maximum principal amount of \$2,500,000, maturing within fourteen (14) years of their date, and bearing a maximum rate or rates of interest not to exceed 4.95% per annum, with all or a portion of the principal of and interest thereon to be paid with the proceeds from the Tax?
