Notice of Construction: 22nd St & Reynolds St Signal

The City of Laramie would like to inform you that a traffic signal at 22nd St & Reynolds St will be constructed this summer. Simon Contractors was awarded the project and has provided the City with an expected schedule for the project, shown below:

Phase 1 (concrete and conduit installation)

Start Construction	May 25
Intersection Traffic Control	May 25 - June 26

Phase 2 (pole and mast arm installation)

Start Construction	July 20
Intersection Traffic Control	July 20 – August 7

Prior to the work beginning Simon Contractors will reach out to those of you directly in the project area but if you have any questions about the project prior to the work beginning please contact the City using the information below:

Email: PW-GFTS22-Reynolds22ndStreetTrafficControl@cityoflaramie.org
 If email is unavailable to you, please call:
Phone: (307) 721-5250

Anyone interested in this project is encouraged to reach out to the engineering staff. A complete set of plans can be viewed on the City of Laramie Engineering’s website and a direct link is provided below.

We look forward to hearing from you to discuss this project.

Respectfully,

Eric Milliken, P.E.
 Civil Engineer
 City of Laramie, Wyoming
