The following recommendations are priorities for SA 10:

- Establish a Neighborhood Park per SA 10 map.
- Establish 3 Playlots per SA 10 map.
- Develop Bike Lanes along 30th Street and Turner Drive to provide better continuity through the SA and connectivity to adjacent SA and their facilities.
- Develop Shared Use Paths on Bill Nye and 30th Street, as well as extensions of existing Shared Use Paths along Vista Drive, through Grand View Heights, Boulder Drive and elsewhere throughout the SA to provide better continuity through the SA and connectivity to adjacent SA and their facilities.
- Continue to support, develop and expand the Recreation Center and Ice and Events Center per Capital Improvement Plans for each facility.
- Preserve the ridgeline Natural Area west of the Recreation Center per the Turner Tract Area Plan 2013.
- Develop a trailhead at the Recreation Center for the Spring Creek Greenbelt and joint use of Recreation Center facilities such as bathrooms and parking areas.
- Develop Cyclocross site west of the Recreation Center, utilizing topography for an enhanced site.
- Develop Fenced Dog Friendly Off-Leash Area within proposed Neighborhood Park.
- Follow the Turner Tract Area Plan 2013 as a guide for growth, Parks and Recreation facilities found in the 2013 plan.
- Develop Beautification Corridors per SA 10 map along Grand Avenue and the Interstate 80 interchange area.
- Improve access across barriers to movement such as Interstate 80, Grand Avenue and future 30th Street, to adjacent SAs and their facilities.
- The City and Albany County should work together to determine the parks and recreation needs for areas outside the City limits in the future.

Service Area 10

Project Goals

- **Universally accessible park and accessible play areas**
- **Comfortable and centralized adult seating and observation**
- **Ensure effective drainage**
- **Develop topographic features/balance earthwork**
- **Unique Theme and identity to park and playground**
- **Flexible, multi-use lawn area**
- **Integrate a variety of play types**

Project Program - What would you like to see in the park?

- **Playgrounds**
- **Natural Trails**
- **Shelters**
- **Basketball Court**
- **Off-Leash Dog Park**
- **What Else? Leave a sticky note below!**
