CITY OF LARAMIE NORTH TANK AND PIPELINE PROJECT

Notice is hereby given that the City of Laramie, Wyoming will receive sealed bids for the CITY OF LARAMIE NORTH TANK AND PIPELINE PROJECT consisting of furnishing and installing all labor, supervision, materials, equipment, all incidentals, related items and appurtenances, and performing all operations necessary to complete the construction of a one million gallon partially buried concrete water tank with concrete roof and appurtenances; installation of approximately 730 lineal feet of bore and jack 36" steel casing under Union Pacific Railroad property and railroads; installation of approximately 340 lineal feet of bore and jack 36" steel casing under highways, installation of approximately 6,600 lineal feet of 20" PVC water transmission main, valves and fittings; installation of approximately 13,200 lineal feet of 24" water transmission main, valves and fittings; installation of approximately 1,700 lineal feet of 20" DIP water transmission main, valves and fittings; installation of approximately 1,300 lineal feet of 18" and smaller water main, valves and fittings; construction of a pump station and pressure reducing valve assemblies; construction of a control vault and associated piping, as well as mechanical, electrical, SCADA controls and programming and all work ancillary to completion of the project as defined in the project manual and drawings.

Sealed bids for the construction of the CITY OF LARAMIE NORTH TANK AND PIPELINE PROJECT will be received at the Office of the City Clerk, City Hall, 406 Ivinson Avenue, P.O. Box C, Laramie, Wyoming 82073 until 1:00 P.M. Local Time, on the 19th day of April 2022, at which time the bids will be publicly opened and read aloud. All bids must be furnished on forms supplied by the City of Laramie. Sealed envelopes containing bids shall be clearly marked with the project title and shall show the name and address of the Bidder. Bids which are not prepared and filed in accordance with the Instructions to Bidders may be rejected. The City reserves the right to reject any and all bids and the right to waive irregularities in bids received.

Each bid must be accompanied by a bid bond with sufficient surety for not less than five percent (5%) of the total amount of such bid, payable to, and to be forfeited to, the City of Laramie as liquidated damages if bidder fails to enter into contract within thirty (30) days after award to him, or fails, at the time of executing the agreement, to furnish a performance bond and a payment bond each in the amount of one hundred percent (100%) of the bid. Facsimile (fax) or other copies of bonds are not acceptable. **NO BID WILL BE CONSIDERED IF NOT ACCOMPANIED BY SUCH BOND, OR IF NOT IN CONFORMANCE WITH THE PROVISIONS OF SECTION 15-1-113, W.S. 1977.**

A complete set of the Project Manual and Plans may be downloaded after the 12th day of March 2022, via the City website <http://www.cityoflaramie.com/projects/>, which will lead to a QuestCDN website. All bidders must login to the QuestCDN website and pay a non-refundable fee of twenty dollars (\$20). This login and deposit will ensure that the plan holders are identified and supplied the possible addendum and notices associated with the project.

Questions about the project may be directed to the Project Manager, William Winkler. He can be reached at (307) 745-5250 or engineering@cityoflaramie.org

A pre-bid conference shall be held at 10:00 AM on the 7th day of April 2022 at Laramie Fire Station No. 2, 1558 N 23rd Street, Laramie WY 82072, at which attendance by Bidders is mandatory. Bids submitted by Bidders not attending the pre-bid conference will be rejected.

The City of Laramie seeks to integrate energy efficiency practices into all aspects of day-to-day operations, from capital construction specifications to staff behaviors, to ensure economic and environmental sustainability. The City encourages bidder submissions that 1) enhance the efficiency of City projects and ongoing operations, and/or 2) consider all energy types, including traditional and renewable sources.

Qualified Disadvantaged Business Enterprises (DBEs) are encouraged to submit bids on this project. Bidders that use a subcontractor(s)/supplier(s) are required to make a good faith effort at soliciting DBE subcontractor/supplier participation. Bidders shall submit the required DBE Good Faith Effort Documentation form and other related forms with their bids.

Pursuant to the provisions of Wyoming Statute 16-6-203(a), the City of Laramie requires the use of Wyoming laborers on the project, except where Wyoming laborers are not available or are not qualified for the specific work.

Pursuant to W.S. 16-6-106, "Preference is hereby given to materials, supplies, agricultural products, equipment, machinery and provisions produced, manufactured, or grown in Wyoming, or supplied by a resident of the state, quality being equal to articles offered by competitors outside the State".

The procurement will be subject to the "Use of American Iron and Steel" requirements as contained in Section 436 of H.R. 3547, The Consolidated Appropriations Act, 2014.
