- B. **Work Session.** Work sessions may be scheduled by the city council as needed.
- C. **Special Meetings.** A special meeting, or any change in the time or location of a regular meeting, shall be called by the city clerk who shall notify each member of the council and notice the meeting pursuant to state and municipal law. This section shall not apply to requests for special meetings from city council members or staff members of the city council.

 - 2. Observe and enforce all rules adopted by the council for its government;
 - 3. Decide all questions on order, in accordance with these rules;

 5. Retain the authority during public comment to determine whether a speaker's remarks fail to comply with these rules or exceed the scope of the designated forum. The presiding officer shall have the authority to suspend such person's right to speak, subject to the council's right to overrule such decision.

ARTICLE 2: Code of Conduct

CHAPTER 1. Roles and Responsibilities

1.01. Whole Council

The council as a whole is a policy making board and as such, it is not the duty of the council to administer the day to day operations of the city. Many items will come before council as required by city ordinance, but many issues are more discretionary in nature. It is important that the council and the city staff work together to differentiate between administrative duties which are relevant to staff, and those decisions which are of a policy-making nature and should come before council. All council members, including those serving as mayor and vice mayor, have equal votes. No council member has more power than any other council member, and all should be treated with equal respect.

1.02. Mayor & Vice Mayor

1.02(A). The Mayor serves as the administrative head of the council, addressing a variety of issues that may arise including, but not limited to, conduct among council members, communicating with the media, emergencies, and authorizing by signature a number of documents for the city. Generally, the mayor should not make decisions other than administrative decisions on behalf of the whole council, and should instead work to differentiate which matters need comments from the council and which matters are purely administrative in nature. Matters which concern policy direction should be brought before the council as a whole.

1.03. Boards & Commissions Liaisons/Elections/Seating at Rostrum

1.03(A). The selection of liaison positions by council members to city boards and commissions and the selection of seating of council members at the rostrum are handled at the first meeting when a new council is seated. Council shall first, elect the mayor and the vice-mayor and select the seating of council members at the rostrum prior to the selection of liaison positions by council members to city boards and commissions.

1.03(B). The selection of council members to liaison positions to city boards and commissions shall be by rotation of council members beginning with those council members with the most consecutive years of service as a council member then reverse the order for the next rotation until all liaison positions to all city boards and commissions have been filled. The priority of those members with equal years of consecutive service shall be made by a game of chance selected by the mayor. Council members previously appointed to an ad hoc committee by resolution may continue to serve on the ad hoc committee.

1.03(C). The seating of council members at the rostrum shall be by rotation of council members beginning with those council members with the most years of consecutive service as a council member.

1.03(D). A council liaison to a city board or commission should serve in an advisory capacity and as a point person to keep the council informed of the activities of the board or commission. The liaison should not attempt to influence the votes of city board and commission members and should only vote if the liaison is an official voting member. The position of an official voting member shall be identified in the introductory documents provided to the council member in the orientation material.

1.03(E). Guidelines for interviewing and appointing board or commission members as outlined in Appendix A, shall be followed.

CHAPTER 2. Internal Council Conduct

It should be generally understood that the council exists to work in the interest of the public. The council should strive to work as a team in achieving the best outcome for the community. The council should conduct business in a civil, efficient and cooperative manner with other members of council and city staff. It is incumbent upon council members to listen to one another and give full opportunity for all viewpoints to be heard. All disagreements should be handled in a civil fashion.

2.02. Addressing One Another

2.02(A). During a regular meeting, council members shall address one another in a more formal manner as “Councilor _____ (last name)” or “Council Member _____ (last name).” Council members should also address all responses through the chair, for example: “Mr./Madame/Honorable Mayor, I disagree with the comment made by the previous Council Member or Councilor Smith...” Formality helps to maintain civility during contentious issues. In all instances, council members shall remember that as representatives of the community it is important to keep discussions civil, whether in or out of chambers. Personal attacks will not be tolerated and may subject the councilor to being called by another council member for a breach of order or potential penalty by a majority of the council, such as an apology or a withdrawal of objectionable statement(s) or remark(s).

2.02(B). During a work session, it may be acceptable to address one another by name so long as the chair feels that the meeting is maintaining a civil tone. At the chair’s discretion, council may be requested to use the more formal meeting format even when direct votes are not being taken.

2.03. Recording and Broadcasting Meetings

2.03(A). All regular business meetings and special business meetings of the city council are public meetings under the provisions of the Wyoming Statutes. Executive sessions of those meetings may exclude the public from attendance, provided that the statutory mandates are met in announcing the meetings and conformance with the requirements during the meetings has occurred. Minutes of all meetings of the city council are required to be made and retained by the city clerk. Minutes of regular business meetings and special business meetings, excluding the executive sessions, will be made available to the public following approval of the minutes by the council. Each of the council meetings is to be recorded, and the minutes are created from those recordings.

2.03(B). In addition to the recordings of the regular business meetings, there is a broadcast of the meetings, and a recording of those broadcasts. The broadcasts are transmitted in real time on the Public Access Channel over the cable television network provided in the city, and beyond. In addition to the live broadcast on the cable channel, an audio recording of each meeting is made available to the public through the city’s internet website at www.cityoflaramie.org. Each entire meeting is recorded as hereinafter specified.

2.03(B)(i). Regular Business Meetings and Special Business Meetings. Regular business meetings and special business meetings, including emergency meetings, shall be recorded from the opening of the meeting to adjournment. An interruption of the recording may occur during a recess to executive session. Further business may be conducted by the council following the executive session. The broadcast recording will follow the same time frame of recording.

2.03(B)(ii). Emergency Meetings. Audio recording of special meetings shall be made by the city staff unless such is not available due to emergency conditions. In the instance that recording is not available, written minutes of the meeting shall be made by the city clerk, or other available staff members.

2.03(B)(iii). Executive Sessions. Executive sessions of any council meeting shall be audio recorded by the city clerk, regardless of whether the clerk remains for the session or not. The recording shall be sealed by the city clerk and retained in the city clerk's records. Such recording shall be unsealed only upon receipt of a valid court order requiring the recordings to be unsealed. The order received shall be retained by the city clerk together with the recording.

2.03(B)(iv). Regular business meetings and work sessions will be available to the public via video streaming or audio recording.

2.04. Council Updates

Each work session shall include time for council updates and council comments. Council updates shall be an opportunity for council members to report or discuss issues with the whole council that may have arisen from boards or commissions or other meetings. Council comments shall provide an opportunity to raise matters which are of concern to the council member or members of the public. It may also be a time for city staff to update the council on items council might find relevant, or to request direction on pressing issues.

2.07. Placing Items on the Business Meeting Agenda

2.07(A). Generally, the business agenda for each meeting will be generated by the city manager, with the items being suggested by staff or members of council. The proposed agenda may be reviewed with the mayor at the agenda meeting and subsequently may be submitted to council at a meeting for adoption, with such amendments as may be determined by council.

2.07(B). A council member may request an item be considered on a future agenda by making a written request to the city manager. In order to allow sufficient time for council to review and city staff to research the matter, the request should be submitted at least ten (10) days prior to the meeting for which the item is requested to be placed on the agenda. The requesting council member shall submit to the clerk within the ten (10) day period all written material for submission to council.

2.07 (C). A member of the public may request a council member sponsor an item on a future agenda by submitting the request in writing to the council member, or to the city clerk's office. In order to allow sufficient time for council to review and city staff to research the matter, the request should be submitted at least ten (10) days prior to the meeting for which the item is requested to be placed on the agenda. The member of the public shall submit to the clerk within the ten (10) day period all written material for submission to council. Once the issue has been placed on the agenda, the city clerk will notify the requester so that he or she may plan to attend the meeting.

2.08. Requesting Work Session Topics

A council member may suggest an item or topic be presented in a regular work session to acquire information. Such item shall be scheduled for a regular work session, provided a second to the proposal is received from another council member.

2.09. Time Length of Regular Council Meetings

It is the intent of the city council that no additional agenda item will be introduced at a regular business meeting or special business meeting after the hour of 9:30 p.m. unless the city council members present vote to extend the meeting by suspending the rules with a 2/3 vote of the members present and continue the meeting until 10:00 p.m. If the item introduced at a regular city council meeting and being discussed by 9:30 p.m. is not concluded by 10:00 p.m., the council shall adjourn the regular city council meeting to another date to conclude discussing the agenda item or the next regular city council meeting. City council shall reserve time at the end of each regular meeting for public comments regardless of the hour. All items remaining on council's regular agenda would be moved to the next regular city council meeting and will be given priority over any additional items on the regular city council's agenda. The intent and purpose of this policy is to encourage a reasonable hour in which the city council business is discussed and to protect against fatigue in discussing and deciding important city issues.

2.10. Telephonic Attendance at Meetings

2.10(A). It is recognized that there may be circumstances when a council member intends to attend a meeting, but is prevented from attending in person and wishes to participate telephonically. In order for that attendance to occur telephonically, there are a number of conditions that must be fulfilled to achieve that attendance. Those conditions include the following, together with such unanticipated circumstances as may arise during the interim:

1. The telephonic attendance must be arranged in advance of the meeting by notifying the city clerk at least 24 hours in advance to insure that the necessary equipment is available for use.
2. The council member must provide the contact information to the city clerk's office so that contact can be made.
3. The council person must have equipment available for the contact to effect the communication, both for audio and the ability to receive documents in electronic format.

4. The council person must have the agenda packet available to read.
5. The council member must be able to participate effectively during the entire meeting, or for the entire discussion of the singular item for which attendance is required without interruption.
6. Each council member shall be limited to not more than five (5) times annually during which telephonic attendance may be utilized.

2.10(B). A council member who attends the entire meeting telephonically shall be paid for that meeting. Attendance at only a portion of the meeting, regardless of whether the council member participates in one or more votes, does not entitle the member to be paid for the meeting.

2.11. Travel Policy & Expenditure Guidelines

Council members shall be subject to the following travel policy and shall follow the expenditure guidelines where such are applicable.

2.11(A). All travel by council members for which reimbursement is sought from the city must be directly related to City business and, with the following exceptions, must be pre-approved by the council:

In the event that a council member does not file for re-election, or is defeated in an election contest, all travel requested by that member after the date of the decision at any of the three (3) points in time, filing of the petition for candidacy, the primary election or the general election, shall be submitted to the council for approval prior to exercising such travel.

2.11(B). Requests for Pre-Travel Approval

1. Requests for pre-travel approval shall be made by council member on the travel request form located in the city clerk's office.
2. The completed travel request form shall be submitted to the city clerk for inclusion on the consent agenda of the following regular business meeting.

4. Council Travel Reports. Following travel to out-of-state conferences each Councilor may submit a written report of the significant activities of the conference to the council via the city clerk for inclusion in the agenda packet prepared for council.

2.11(D). City Issued Credit Card Procedures

1. Each council member may, at the option of the council person, be issued a city owned credit card for use by that council member while engaged in the furtherance of city business, but not otherwise.

CHAPTER 3. Council Conduct with City Staff

3.01. Direction to Staff for Projects

Direction is given to the city staff to pursue items that generally impact the public policy of the city by determining that there is little or no opposition during a work session, or through a direct binding majority vote of the body at a special or regular business meeting. Once direction is given to the city manager in one of these ways, that individual shall determine who shall carry out the duty, or advise the council if the city needs additional city staffing to carry out the task. City staff, including the direct employees of the council (which are the manager, attorney, and judge), are under no obligation to pursue items for only one council person. If a council person wishes to ask the city staff to work on an issue, they must have either received the consent of the council by determining that there is little or no opposition during a meeting or have a second on a motion to introduce legislation.

3.02. Requests for Information on Non-Agenda Items

City staff is hired to carry out the day to day business of operating the city. Council should keep this in mind when requesting information or asking to perform these functions. Generally, all interactions with staff members should flow through the city manager. If a council member is asking for information from city staff that will require more than thirty (30) minutes of city staff time to collect or research a problem, or prepare a response the request will need to be approved by city council to ensure that city staff resources are allocated in accordance with overall council priorities.

3.02 (A). When a council member wishes to request staff to provide information, that request should be made in writing to the city manager. A response to the written request shall be made by staff in not more than five (5) business days.

3.03. Interaction with Staff

It is not appropriate for council members to admonish city staff when disagreeing with the information brought forth for presentation to the governing body. Concerns should be taken up with the city manager, and if there is deemed to be an issue that needs to be addressed by the whole council, it will be brought forth. In any event, there shall be no personal attacks on city staff.

CHAPTER 4. Council Conduct with the Public

4.01. Public Meetings

Making the public feel welcome is an important part of the democratic process. Handouts for the public on council meeting procedures, and guidelines for addressing city council, are outlined in Appendix B and C and shall be followed at all times. Recognizing that the actions of each council member impact the public perception of the whole council, council members shall strive to treat the public with respect.

4.02. Public Comments

4.02(A). Time for public comment during meetings. There shall be public comments permitted when members of the public are recognized by the Mayor at the following times:

Regular meetings:

1. During any public hearing on the agenda.
2. Before any substantive action by Council on a regular agenda item, for comments on that agenda item.
3. For comments on matters not on the agenda, as a regular agenda item at or near the end of the meeting.

Work sessions:

1. As a regular agenda item, following the opening of the work session, for comments on matters not on the agenda.
2. Because work sessions are primarily for council and the public to hear information provided by City staff and other invited presenters, it is in the discretion of the Mayor whether to solicit public comments on each agenda item before closing that agenda item.

Special Meetings:

Special meetings may be called from time to time specifically to solicit public comments or for other purposes. The Mayor has the discretion to organize such special meetings to allow public comment and council discussion.

4.02(B) General rules

General rules involving public comment include:

1. Members of council may not participate as members of the public in public comment periods.

2. Each member of the public may only speak once in any given public comment period, and is limited to five minutes for his/her public comment. In situations where unusually large numbers of people wish to speak, the Mayor has discretion to limit public comments to less than five minutes to insure everyone has a chance to speak.
3. Council shall take care not to debate issues with members of the public but, if items need to be addressed, direction can be given to City staff to do so.
4. Council shall not personally attack the public, nor may any member of the public personally attack or insult councilors, City staff, or other members of the public.

4.03. Disruption of Public Meetings

Any member of the public will be allowed to appear and speak before the city council, unless he or she disrupts or otherwise impedes the orderly conduct of any council meeting, hearing, or other proceeding of the council such as using threatening or obscene language, personal defamatory statements, indecent or threatening behavior, or violent actions. If, after receiving a warning from the mayor or the presiding officer, a person persists in such conduct or otherwise disrupting the meeting, the mayor or the presiding officer, pursuant to the rules adopted by council, may expel and direct the member of the public to leave the meeting. Any council member may appeal the order of the mayor or the presiding officer and upon a majority vote of the council such order of the mayor or the presiding officer may be set aside. Such vote is undebatable. Such person may be readmitted at a future meeting as long as there are not further disturbances or disruptions by such person at that public meeting. Nothing herein shall limit or restrain negative, positive or neutral comment about the manner in which an individual employee, officer, official or council member carries out the council member's duties in public office or employment.

4.03(A). To observe the order and decorum of city council meetings, the volume on all electronic devices including but not limited to cellular telephones, pagers or computers should be turned off or set to vibrate.

4.04. Written Public Comment

Interested parties, or their authorized representatives, may address the council through written communication with regard to any matter concerning city business or over which the council has control, or by addressing the city clerk, who shall distribute the written communication to council members. Written communication may also be submitted to the city council through electronic correspondence at council@cityoflaramie.org.

4.05. Unofficial Settings

It is also appropriate that council members recognize that as elected officials their conversations when out in public will be overheard. Members of the council should take care to be aware of

what they say in public, and to differentiate between personal opinion and the opinion of council as a whole, whether in private or public conversations.

These guidelines shall be modified and adopted by a majority of council as needed.

APPENDIX A

BOARDS AND COMMISSION PROCEDURES FOR VACANCIES

1. City staff liaisons to particular city boards or commissions should notify the City Manager or City Manager's designee ("Designee") when positions on boards and commissions become vacant.

2. Vacant positions of city boards or commissions should be advertised by the Designee for one (1) month unless otherwise specified by council as follows:

Website;
Public Access Channel;
Laramie Daily Boomerang;
Posted at City Hall; and
Other available electronic notification forms.

3. The Designee will notify standing members of city boards or commissions regarding the expiration date of their term at least one (1) month in advance of the expiration of their appointment and inform them of the period during which they may reapply for their position.

4. Applications should be made available to interested applicants from the Designee, or may be downloaded from the city's website, and should be submitted to the Designee.

5. The Designee will refer the names of the applicants to the city clerk to be placed on city council's agenda.

6. A minimum of three (3) members of council will interview applicants or incumbents for the Planning Commission or the Parks, Tree and Recreation Board, and a minimum of two (2) members of council will interview applicants or incumbents for the remaining boards and commissions, who will make recommendations to the full council at the next regular meeting. Normally, the interviewing members of council will include the liaison to the board or commission. Incumbents who are reapplying to a city board or commission will not be interviewed unless there are additional applicants for such city board or commission or upon the request of a council member for an interview to re-appoint the incumbent applicant. In such case, all applicants and the incumbent will be interviewed. The entire council will then vote at the regular meeting to select members for city boards or commissions from the list of applicants who have been interviewed.

7. Following appointment by the council, a list of appointees will be forwarded to the Designee who will contact new appointees notifying them of their appointment, meeting times and dates, and contact information for the board's/commission's staff liaison.

8. Positions of leadership on a given city board or commission will be decided within the city board or commission, unless otherwise specified by the city council.

9. During the formation of a city board or commission, council should give that body a written set of expectations and/or goals based upon requirements as outlined in the Laramie Municipal Code.

The council welcomes suggestions and comments which help meet the needs of the city and improve its operation, and also welcome questions which may clarify its responsibilities or its decisions. Set forth below are procedures for addressing the council. You may stand or raise your hand until recognized by the mayor or presiding officer. Please step to the lectern and microphone when addressing the council.

IDENTITY OF SPEAKERS

The chair will ask each speaker to write the speaker's name on a sign-up sheet so they are correctly recorded in the minutes. The chair will ask each speaker to state the speaker's name and whether the speaker resides in the city to introduce themselves before speaking.

SPECIAL PRESENTATIONS

Special presentations which include slides, films, etc., will be scheduled prior to the beginning of a council meeting. Arrangements must be made in advance with the city clerk at least one (1) week prior to a meeting in order that the presentation may be noted on the agenda and advance notice provided to members of the council, news media and other interested persons. Special presentations during the course of a meeting will only be allowed with the prior approval of the council.

WRITTEN MATERIAL

Any person providing written or other material to city council at a meeting shall provide the material to the city clerk, who will then disseminate the material to council members and staff as necessary and retain a copy for the official city records. If any person intends to appear before the council and provide it with written material, it should be delivered to the city clerk's office six (6) days in advance of the meeting (sooner if there are holidays prior to the meeting) in order that copies may be included with the agenda and to give the council an opportunity to review the material in advance of the appearance.

If written material is provided to the council at the meeting, it may affect the council's consideration of the matter. Therefore, the council will determine whether or not to continue the matter to a later date in order that it will have time to consider the written material.

DISABILITY ACCOMMODATION

City council meetings are open to the public. Requests for accommodations from persons with disabilities must be made to the city manager's office at least twenty-four (24) hours in advance of a meeting. The city manager's office may be reached at 721-5226. Anyone who has difficulty hearing the proceedings of a meeting may be provided with a portable listening device by requesting one from the city clerk. The device works directly from the public address system, and the listener can hear all speakers who are using a microphone. Anyone who is hearing impaired and requires the services of an interpreter to observe or participate in a meeting should contact the city clerk's office within seven (7) days prior to the date of the meeting.

MICROPHONES

City council meetings are recorded and/or televised when held in the council chamber. In order for the audience to receive a clear audio signal, it is essential that members of the audience use the lectern microphone when addressing the council.

TIME LIMIT

Each member of the audience speaking to the council shall limit their presentation to no more than five (5) minutes, unless the time is waived by the council on any specific item. A speaker may not defer the speaker's time to other speakers. Groups or organizations are encouraged to select a spokesperson to speak on their behalf. Speakers are also encouraged to not repeat comments made by prior speakers, but rather to only indicate their agreement with the comments.

ELECTRONIC DEVICES

To observe the order and decorum of city council meetings, the volume on all electronic devices including but not limited to cellular telephones, pagers or computers should be turned off or set to vibrate.

HEARINGS

Any member of the audience may speak on items scheduled for hearing at the time the mayor declares the hearing open to the audience. Council members will disclose any communications with any individual or party in which they were involved prior to any hearing that is quasi-judicial in nature.

REGULAR AGENDA

All items listed under the regular agenda are in the order which require council action at this meeting. The items will be considered in the order set during the meeting. Any person may speak on items listed on the regular agenda if recognized by the chair.

PUBLIC COMMENTS

A member of the general public may address the council at every meeting of the city council.

When specific topics have been scheduled for work session discussion, the mayor or presiding officer may specifically request or invite members of the public who may have a special interest, involvement, information or expertise of the topic to address the council.

At Business Meetings: Council reserves time for members of the public to address council on any matter under the agenda item denoted as "Public Comments" at the end of each regular business meeting held on first (1st) and third (3rd) Tuesdays of the month.

Members of the public may also address council on specific topics scheduled for consideration. The chair will call for comments from the public at the appropriate time as per the established agenda for the meeting.

When a member of the general public seeks to address the council during public comments, the council may briefly respond to statements made or questions posed. However, council members should not engage in inter-council discussions. On its own initiative or in response to questions posed by such person, council members may ask questions for clarification, provide a reference to staff or other resources for factual information, or request staff to report back at a subsequent meeting.

REPORTS AND COMMUNICATIONS

Staff reports and communication items are being provided to the council primarily for information. Accordingly, these matters will not be discussed unless a member of the council or general public requests such discussion. However, no action shall be taken on these matters unless the matter is included as an action item at a subsequent meeting and included on the posted agenda as such.

EXECUTIVE SESSION

A description of the items, if any, to be discussed in executive session will be listed on the agenda.

TIME LIMIT OF MEETINGS

No additional agenda item will be introduced at a regular city council meeting after the hour of 9:30 p.m. unless the majority of the city council members present vote to extend the meeting. If the item introduced at a regular city council meeting and being discussed by 9:30 p.m. is not concluded by 10:00 p.m., the council may adjourn the regular city council meeting to another

date to conclude discussing the agenda item or the next regular city council meeting. All items remaining on council's regular agenda would be moved to the next regular city council meeting and will be given priority over any additional items on the regular city council's agenda.

MINUTES

Official minutes of council meetings are prepared and kept by the city clerk and are reviewed and approved by the city council (usually at the next regular meeting). Copies of approved minutes are available at the city clerk's office or on the city's website at www.cityoflaramie.org.
