Dear Citizen:

We are excited to announce that City Council passed Ordinance 1862 to revamp Low Income Affordable Municipal Service Rates.

Applicants who qualify will receive \$37.58 credited towards their Municipal Services bill each monthly billing cycle.

ELIGIBILITY REQUIREMENTS:

- The applicant must own the property where Municipal Services are being billed
- The applicant must reside at the address for at least nine months per year.
- The billing location must be owned by a municipal services customer with a total gross household income that does not exceed Wyoming Low Income Energy Assistance Program (LIEAP) guidelines for the total household size, which equals sixty percent of the state median income based on the household size and including gross income of all household members.
- The applicant must not have any delinquent amount associated with the Municipal Services bill.
- The applicant agrees to immediately notify the Municipal Services Department of any changes in status which may affect their eligibility under Ordinance 1862.
- The applicant must re-apply for the program on an annual basis. The deadline for reapplication every year is June 1st.

If you meet these qualifications, please complete the following application, and provide the City of Laramie with copies of the necessary documents that show current enrollment in a federal program with low income as a necessary qualification. If you have any questions, please call the Municipal Services Billing Department at 721-5222.

Sincerely,

Municipal Services Billing Department
